Historians and Historiography, African American. The writing of African-American history began as a quest to understand the status and condition of black people in the United States. The first works on the subject, James W. C. Pennington's A Textbook of the Origin and History of the Colored People (1841) and Robert Benjamin Lewis's Light and Truth: Collected from the Bible and Ancient and Modern History, Containing the Universal History of the Colored Man and Indian Race, from the Creation ...

Historians and Historiography, African American ...

African-American historiography is, in part, the story of a struggle of a people to be counted as a part of American history. The narrative of American history once excluded the African-American side of things. By disseminating the history and heritage of African Americans, historians document the presence of African Americans alongside whites during the American Revolution, along the frontier, on the front lines of the fighting during the Civil War, in the Spanish American War and ...

African-American Historiography – Quesia

African-American history is the part of American history that looks at the history of African Americans or Black Americans.. Of the 10.7 million Africans who were brought to the Americas by white Europeans until the 1880s, 450 thousand were shipped to what is now the United States.

African-American history - Wikipedia

African Americans are largely the descendants of enslaved people who were brought from their African homelands by force to work in the New World. Their rights were severely limited, and they were long denied a rightful share in the economic, social, and political progress of the United States.

African Americans | History, Facts, & Culture | Britannica

His peer-reviewed American Quarterly article "The Color of Discipline: Civil Rights and Black Sexuality," is the most downloaded article in the history of the journal.
