policy operated
against a growing
backdrop of antiwar
protest after 1966-7.

The antiwar
movement intensified
with time but is
assessed to have
fallen short of the
desired impact. The
movement has been
described as broad-
based, but divided.
The movement's

effectiveness suffered from an irreconcilable split between anti-war liberals who sought policy changes on the war and anti-establishment radicals who sought to change the American system.
