Buy American Triumvirate: Sam Snead, Byron Nelson, Ben Hogan, and the Modern Age of Golf by Dodson, James (ISBN: 9780307473554) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Ben Hogan is up with Jack Nicklaus as one of the greatest golfers of all time. He equalled the record of four US Open wins, once won five out of six major tournaments in one season, and is credited with effectively defining the modern game of golf. James Dodson's magisterial biography, written by the bestselling author of Final Rounds, is the first to be authorised by Hogan's family, and reveals the complex character behind a golfer legendary for his inscrutable, steely public persona. Dodson shows how the dauntless determination that saw Hogan to four US Open victories masked a man ever haunted by a long-buried childhood tragedy, and brings out the miracle of his fightback after a catastrophic car accident to win the Masters, US Open and British Open all in 1953. Above all, he lays to rest the notion of Ben Hogan as an austere, impassive golf-machine, uncovering a jovial man with a charitable spirit and sharp business sense. Intimate, eloquent and definitive, this is the final word on one of the greatest golfers of all time.

## Read Online Ben Hogan The Authorised Biography

A profile of the renowned golfer describes the automobile crash that nearly ended his life in 1949, his fiercely private life, his significant tournament achievements in 1953, and his relationship with his wife.

A biography of the legendary golf champion explores his private life, the source of his motivation, and his personal difficulties in later life

Master golfer Ben Hogan (1912-1997) is widely acknowledged as one of the greatest players in the history of the sport, most notably for his legendary ball-striking ability. There are numerous theories as to what made Hogan's swing so effective and in *Power Golf*, now available in a trade paperback format, he shares a lifetime of championship secrets for improving every phase of the game. Regardless of their level of golfing expertise, readers are guaranteed to see a difference the next time they pick up their club!

Golfing legend Ben Hogan went to his grave believing he had won a record five US Open titles. The USGA says otherwise, and the controversy has endured for over 75 years. In 1942, the United States Golf Association (USGA) cancelled its four golf tournaments for the duration of World War II. But then it did something different in only that year—it sponsored the Hale-America National Open on the same weekend as the cancelled US Open. The great Ben Hogan won that tournament and went to his grave believing he had therefore won a record five US Open titles. In *The Open Question*, Peter May turns his attention to this controversial, colorful Hale-America National Open of 1942. While providing an in-depth look at the tournament itself, May champions Hogan's claim to five US Open titles and debunks some questionable assertions that the tournament was not worthy of a US Open. Set against the backdrop of World War II, May also tells the stories of other professional golfers in the tournament and the impact of the war on all their lives. The USGA has never recognized the Hale-America Tournament as an official US Open and remains firm in its stance. It was a decision that bothered Ben Hogan for the rest of his life. *The Open Question* shows how dominant Ben Hogan was against some of the biggest names in golf, and reveals why he deserves to be recognized as a five-time US Open winner.

The professional golfer provides tips on the grip, stance, and swing of successful golf shots

Byron Nelson was one of golf's greatest legends. He was one of the finest golfers ever to pick up a putter, and the man who had the most magnificent year any golfer has ever had—1945, when he won an incredible eighteen PGA tournaments, including eleven in a row, and finished second in seven others. *How I Played the Game* is the beautifully told tale, in his own words, of a man determined to be the best ever: his hardscrabble rural Texas upbringing and his near-death experience with typhoid fever; his early years as a caddie at Fort Worth's Glen Garden Country Club (where as a 15-year-old he beat another young caddie named Ben Hogan in the Caddie Championship); the lean years as an amateur and as a young pro during the Depression; and the golden years of the 1940s, when he invented the modern golf swing and forged the legend of "Lord Byron." Even after his sudden retirement (the real reason for which is finally revealed here) his impact on the game never lessened. Besides his many years as an insightful TV golf commentator, he was mentor to several future golf champions, Ken Venturi and Tom Watson among them. And he continued to play top-caliber golf with the greats of the game, like Hogan, Jack Nicklaus, and Arnold Palmer, and some who were less than great—President Eisenhower, Bing Crosby, Bob Hope, and a host of others. Laced throughout with scores of priceless stories, anecdotes, opinions, and even golf tips, and with an in-depth,

## Read Online Ben Hogan The Authorised Biography

event-by-event recreation of his golden year, 1945, *How I Played the Game* is golf writing and remembrance of the highest order—irresistible reading for every golfer and fan.

Chronicles the events surrounding Ben Hogan's surprising win at the 1950 US Open at Merion Golf Club, describing the near-fatal automobile accident that almost claimed Hogan's life in 1949, his rehabilitation, return to golf, and how he managed to claim a victory after an eighteen-hole playoff.

An autobiography from golf's freshest, most individual voice Ian Poulter is one of golf's most charismatic figures, with an appeal extending way beyond his sport. Here he tells his inspirational story, from his early rejection as a Spurs youth player, right through to his match-winning contributions to successive European Ryder Cup Triumphs. Poulter went from an Assistant Professional staffing the club shop to a global superstar, turning pro when he still had a handicap of 4 but the drive and self-belief to make it to the top. His infectious optimism, will power and flair have ensured he remains one of the biggest names on the tour. As well as insights into the crucial moments in his career, and the life of a professional golfer, he talks about his passions outside the game, including his own riotous brand of clothing. Just as Poulter's appearance on the scene came as a refreshing antidote to a sport that was staid and stuffy, so his own book is as forthright and passionate as Poulter himself.

There has never been a golfer to rival Arnold Palmer. He's the most aggressive, most exciting player the game has ever known, a dynamo famous for coming from behind to make bold last-minute charges to victory. To the legions of golf fans known around the world as "Arnie's Army," Palmer is a charismatic hero, the winner of sixty-one tournaments on the PGA Tour and still going strong on the Senior PGA Tour. But behind the legend, there is the private Palmer--a man of wit, compassion, loyalty, and true grit in the face of personal adversity. Golf-crazy as far back as he can remember, Arnie followed his dad, "Deacon" Palmer, the head greenskeeper, around the Latrobe Country Club fairways; as a youth he played at dawn before the club members arrived (the only time he was allowed on the course); by the time he graduated from high school he was headed for the national circuit. His rise to fame was meteoric, and by the 1960s he had emerged as one of the few American athletes the public truly cared about--a vibrant, daring, handsome sports celebrity who attracted wild crowds and enormous television audiences whenever he played and whose charisma propelled the explosion of enthusiasm for golf in the sixties. Writing with the humor and candor that are as much his trademark as his unique golf swing, Palmer narrates the deeply moving story of his life both on and off the links. He recounts his friendships (and rivalries) with greats of the game, including Jack Nicklaus, his enduringly happy marriage with Winnie, his legendary charges to triumph and his titanic disasters, and his valiant battle against cancer. Returning to the Senior PGA Tour with unmatched zeal after his recovery, Palmer reminded fans of his unfaltering heroism--and the world of golf is thankful. From small-town boy to golfing legend, Arnold Palmer has lived one of the great sporting lives of the twentieth century. Now, with the help of acclaimed golf writer James Dodson, he has created one of the great sports autobiographies of our time.
