By all accounts, Janet Neal was living the ideal life – or at least she thought she was. The reality was quite another story: She was exhausted, unhappy, and unsure of just who the real Janet truly was. Life and a liberal application of hair gel – to her face – helped to get her attention, forcing her to move from her reliance on her faulty thinking to listening to the wisdom of her soul. This collection of insightful and amusing vignettes chronicle a superwoman's journey – fueled by her belief that she had to do everything and do it perfectly – to her awareness that there was actually nothing she had to do; she already had it all. A must read for anyone who has thought “Is this all?” or “What now?” Janet gives life a new perspective – indeed a “soul perspective”! —Nancy Aronie, Author: *Writing from the Heart Soul in Control* is an engaging and entertaining reminder to stay focused on what's important. Janet's practical advice is sound medicine for a frenetic world overtaken by distraction and a false sense of productivity. Her wisdom offers hope in our professional and personal lives. —Kenny Moore, Author: *The CEO and the Monk: One Company's Journey to Profit and Purpose* In her wonderful guide to living a deeper, richer life, Janet Neal takes us by the hand and shows us step by step how to give up the need to manage our life perfectly and find that serene, sunlit place where our soul is in control. With stories and lessons straight from the heart that we can all embrace, Janet is a wise and witty superwoman-turned-sage. If you want more joy, fulfillment, and fun in your life, then read *Soul In Control* -- you'll be glad you did!” —Karin Abarbanel, Co-author: *Birthing the Elephant: The Woman's Go-For-*

It! Guide to Overcoming the Big Challenges of Launching a Business

Sometimes we can feel like our life has no purpose. Other times we can live without being fulfilled, in spite of our success. There is a reason why and a solution. Join Authors Glenn Keller, Jeremy Almond, Di-Anne Elise, Pete Folch, Velma Knowles, Gary Gregory, and Best Selling Author Mike Rodriguez, as they share how to live beyond purpose.

As USA TODAY, The Nation's No. 1 Newspaper, puts it, Nicki Minaj is a "hip-hop comet...a talented rhyme-spitter who fluidly shifts from hard-core grit to Barbie-doll cute." Growing up poor in Queens, New York, with a drug- and alcohol-addicted father, Minaj dreamed of being a soap opera star so she could afford to buy her mother a house. When Minaj was in her early twenties, a street mix tape got her noticed. Just a few years later, she blasted into the mainstream with seven singles in the Hot 100, beat out many of the boys with her ranking as MTV's No. 4 best Hip-Hop MC, and scored her second No. 1 album on the Billboard 200. And, says Minaj, she's just getting started!

The cupboards are overflowing, the linen closet holds towels and tools, and your once tidy family room might as well come with a ringmaster. But that's called living, right? Wrong! Marni Jameson is here to prove that you can turn a hectic home into a haven - and do so without being voted off the island. With chapters such as "Kids are Great - They Only Dismantle Your Home One Piece at a Time," you'll

## File Type PDF Birthing The Elephant By Karin Abarbanel

laugh as you learn whether to opt for solids or patterns; what constitutes "indestructible flooring"; how to organize your house from top to bottom; and how to decorate so home appeal goes up and blood pressure goes down. House of Havoc is that indispensable guide for making the most of the house you have without driving everyone around you nuts.

Twelve-year-old Lexington, a foundling raised in a zoo, spends a summer cementing friendships, growing closer to the elephant that saved her life, and learning about her family and herself.

"Dilenschneider has guided thousands of highly successful people through the world of business."  
—Maria Bartiromo Faced with an unstable economy, recent college grads need more expert guidance than ever to land that dream job and make it rewarding and meaningful. This invaluable guide—revised to meet the specific challenges of today's fast-evolving job market—shows how you can use your talent, originality, and initiative to sharpen your competitive edge. The first years of your professional life are critical to long-term success in any field. The skills you acquire, the contacts you make, and the lessons you learn will help you remain involved, adaptable, and always ahead of the curve. Now a seasoned veteran of the workplace shares his insights, tips, and experiences in a thoroughly updated edition of a career-planning classic. Praise for Robert L. Dilenschneider and *The Critical First Years of Your Professional Life* "Offers practical advice on how young people can take charge of their careers and develop independently both the skills required to

# File Type PDF Birthing The Elephant By Karin Abarbanel

excel in any environment and the savvy to know when to move on." —Norman R. Augustine, former Chairman and CEO of Lockheed Martin Corporation  
"An insightful, idea?laden, practical guide that will be valuable to young professionals seeking to advance their on?the?job lives." —Stephen A. Greyser, Richard P. Chapman, Professor of Business Administration Emeritus, Harvard Business School  
"Bob Dilenschneider has the right recipe for coping in an era of stunningly rapid change." —Allan Goodman, President, Institute of International Education

THE MIRACLE OF AMERICA - Birth of a Nation is a profound collaboration of fine art photography and history that will touch the heart and inspire all readers to stand up and make their voices heard for freedom. These amazing stories depict miraculous events of faith and unity, sacrifice and triumph. The reader will be reconnected to American Heritage, the Founding Fathers and the documents upon which this nation was founded--namely, the Declaration of Independence and the Constitution of the United States. Join us in our battle cry: Let us put aside our differences and come together as believers in a creator--That we are a moral people and a nation united under God, with the ability to achieve miracles.

"Not of woman born, the Fortunate, the Unborn"—the terms designating those born by Caesarean section in medieval and Renaissance Europe were mysterious and ambiguous. Examining representations of Caesarean birth in legend and art and tracing its history in medical writing, Renate Blumenfeld-Kosinski addresses the web of religious, ethical, and cultural

# File Type PDF Birthing The Elephant By Karin Abarbanel

questions concerning abdominal delivery in the Middle Ages and the Renaissance. *Not of Woman Born* increases our understanding of the history of the medical profession, of medical iconography, and of ideas surrounding "unnatural" childbirth. Blumenfeld-Kosinski compares texts and visual images in order to trace the evolution of Caesarean birth as it was perceived by the main actors involved—pregnant women, medical practitioners, and artistic or literary interpreters. Bringing together medical treatises and texts as well as hitherto unexplored primary sources such as manuscript illuminations, she provides a fresh perspective on attitudes toward pregnancy and birth in the Middle Ages and the Renaissance; the meaning and consequences of medieval medicine for women as both patients and practitioners, and the professionalization of medicine. She discusses writings on Caesarean birth from the twelfth and thirteenth centuries, when Church Councils ordered midwives to perform the operation if a mother died during childbirth in order that the child might be baptized; to the fourteenth century, when the first medical text, Bernard of Gordon's *Lilium medicinae*, mentioned the operation; up to the gradual replacement of midwives by male surgeons in the fifteenth and sixteenth centuries. *Not of Woman Born* offers the first close analysis of Francois Rousset's 1581 treatise on the operation as an example of sixteenth-century medical discourse. It also considers the ambiguous nature of Caesarean birth, drawing on accounts of such miraculous examples as the birth of the Antichrist. An appendix reviews the complex etymological history of the term "Caesarean section." Richly interdisciplinary, *Not of Woman Born* will

# File Type PDF Birthing The Elephant By Karin Abarbanel

enliven discussions of the controversial issues surrounding Caesarean delivery today. Medical, social, and cultural historians interested in the Middle Ages and the Renaissance, historians, literary scholars, midwives, obstetricians, nurses, and others concerned with women's history will want to read it.
