Exit, Voice, and Loyalty: Responses to Decline in Firms ...

Published in 1970, the book argues how exit and voice can be used by consumers of a product or service to let producers know their satisfaction (or dissatisfaction) with that good. This chapter first examines the influence of Exit, Voice and Loyalty in various fields before turning to some criticisms and extensions of Hirschman ' s framework. It then assesses how exit and voice relate to loyalty and social investment as well as the evidence for Hirschman ' s claim of the exit – voice trade-off.

# File Type PDF Exit Voice And Loyalty Responses To Decline In Firms

Professor Hirschman develops a theory of loyalty as a key factor in the interaction between voice and exit: loyalty is shown to postpone exit and to make voice more effective through the possibility of exit. —The Economic Journal “ This is an imaginative little book. Its message should be of use to economists, political scientists, and all those interested in policy questions related to these areas.

Exit, Voice, and Loyalty — Albert O. Hirschman | Harvard ...

Customers will prefer the voice option to exit when; 1. they assume the firm will return to its original superiority over substitutable alternatives; 2. they want to "do something" to change the quality, i.e. to exert influence; 2. they expect their own influence, coupled with that of others to create changes; 4. they have developed loyalty to the firm.
