Unlike surgery, Feminization hypnosis focuses on the mind of the individual and tries to bring out the woman trapped within. It works by breaking down any conflicts that may act as psychological barriers preventing an individual from getting in touch with his feminine side. Feminization hypnosis relies on the power of the subconscious mind.

awakes to find himself restrained and dolled up. A mysterious female hypnotizer tells Greg his new name is Ashley, and with a whip, he forgets all about his past. Every idea Ashley had of "Greg" vanished into thin air. The latex hypnotist reveals that Ashley is now part of a feminization cult. Sissy maid training soon starts...The Don is the powerful alpha behind the whole transformation cult, clearly asserting and demonstrating his dominance time and time again. Every lunar eclipse, he chooses one freshly transformed sissy to live in his private mansion. What Don thought would just be another live-in sissy maid, turns out to be more than just that. Ashley... transforms his life for good. Keywords: sissy school girl, sissy maid training, sissy slave, crossdressing, feminization, mental change, gender bender, Author note: This book is a re-release of the five-book series "Forced Feminization Abduction".

Have you ever fantasized about embarking on a journey of feminization? Have you always dreamed about becoming a sissy boy, but was never sure about how to do it or what to do? If yes, then this book is exactly for you. Over the years, I have received many inquiries from sissy boys around the world about how to get started on feminization. Some wanted to know how to start. Others wanted to know the next step. Still others had no idea of what this training was all about and how it could help them get in touch with their feminine side and live the life of their dreams. This book is supposed to act as a guide for such people. It may not provide you with all the information you need on your feminization journey. But it will surely get you started. It will help you learn about feminization. It will help you realize how it can complete you as an individual. It will also provide exhaustive resources that can further help you in this journey. It will help you learn about forced feminization, about what it is, and how you can enjoy it to fulfill your own sexual fantasies.

Maximizing the joy of crossdressing? Do you crossdress from

a male to a female? Or is there someone in your life who does? If so, how about taking it up a notch? Increasing the pleasure and the amount of time doing it? This isn't about how to dress or how to become feminine. We have a book on that, and there are plenty of other resources too. This is how to increase your joy in crossdressing as much as possible. Whether you're a woman with a boyfriend or husband whom you want to become feminine-because of what it will do for them or you or your other boyfriend-or whether you're a sole practitioner who loves the hobby and would like to have ideas on how to reap more delight from it, this book can help. A woman who gives this book to a male will be making a statement of how much she loves him and wants him to be her special person. A sole practitioner of this hobby who takes this book to heart will be doing an act of kindness and respect for her inner girl that says, I love who I am when I'm feminized, and I deserve to take care of her. Maximize the joys of being a male-to-female crossdresser and increase the gratification, satisfaction, degree of sensuality, and amount of time you have to enjoy it in this quick but thought-provoking short read. This is a guide that will help feminized men-husbands, boyfriends, sissies, those in female-led relationships, or cuckolded males who are feminized. Give it as a gift for them or buy it as a gift for yourself. Look inside now!

Turned onto the street to be a shemale street-walker, forced to work a gloryhole, and forced to pleasure anyone your mistress chooses, these are just a few of the trials you will have to endure at The Sissy Farm. The hardest, darkest and sexiest sissy hypnosis ever written, The Sissy Farm describes the real life country estate where Mistress Elle conditions and trains her supplicants. Starting off as a lowly domestic maid, new arrivals are completely sissified and soon find

themselves on a journey towards the heights (or depths) of sissy sexuality.

Part non-fiction, part short fiction; part memoir, part essay, *Trance-migrations* is both an entertaining and informative read and a thoroughly original and creative experiment in metafiction. Combining great erudition with sophisticated word play and bawdy humor, it alternates sections containing stories-- both fictional and non-fictional--to be read by the reader to her or himself with sections of stories to be read aloud to a listener. In the latter cases Siegel intends that the listener actually go into a hypnotic trance out of which the reader will eventually awaken her or him. In this way the narrative form of the book performs" a hypnotic induction script" out of which the listener awakens to find that it is impossible to tell what really" happened, just as in hypnosis the line between fact and fiction is irremediably blurred. Siegel uses hypnosis and the dynamic between hypnotist and hypnosand as a way of exploring other power dynamics -- between lovers, between writer and reader (or listener), between masculine colonial culture and the feminized" East, between God (or gods) and mortals, and ultimately between memory historical and personal and constantly shifting meaning. The book is above all about reading as a hypnotic experience. Through stories based on motifs and characters from both Indian mythology and from real life (notably Abbé Faria, a Goan Catholic monk who gained notoriety in the early nineteenth century with demonstrations of magnetism in Paris, and James Esdaile, a Scottish surgeon for the East India Company who experimented with mesmerism as a surgical anesthetic in Calcutta), Siegel epitomizes and elucidates the psychological and political dynamics of a fascination with a mysterious Orient, and reveals the anxieties embedded in such fascination.

Hypnosis is powerful stuff, and it can make you do a lot more than just get sleepy and cluck like a chicken! Presented here for the first time are two brilliant young authors - Angelica Siren and Ellery Stark - working together to bring you three classic stories of hypno-erotica! First up, meet Julie. She might seem like an obedient and insatiable sex puppet, but her story starts as a married man with a frustrated wife. When Julie discovers who she has become, will she fight against her programming or accept her role as her wife's sex slave? In Remote Controlled, hypnosis is turned on it's head. Here's a young man who wants nothing more than to change his own mind into something a bit more fun. With the secret of hypnosis and training, he becomes a she and nothing will ever be the same again. Finally, in Pretty Little Plaything, a young woman discovers that her neighbor has a terrifying talent. When she falls under his spell, the results are hot and heavy. With her mind under his control, she has no choice but to become his willing subject. Three fiery stories of hypnosis and passion - what more could you ask for? This bundle contains depictions of oral sex, forced feminization, domination and submission, self-satisfying sexuality and intense subliminal messages that will have you feeling just as hot as our heroines. All characters are at least 18 years of age and are works of fiction. Any similarity between them and real people is coincidental and profoundly hot!
