The Stranger (1967) by Albert Camus : Albert Camus, Stuart ...

The Stranger is not merely one of the most widely read novels of the 20th century, but one of the books likely to outlive it. Written in 1946, Camus’s compelling and troubling tale of a disaffected, apparently amoral young man has earned a durable popularity (and remains a staple of U.S. high school literature courses) in part because it reveals so vividly the anxieties of its time.

The Stranger or The Outsider Cover of the first edition AuthorAlbert Camus Original titlEt.Étranger CountryFrance LanguageeFrench GenrePhilosophical novel Set inAlgeria Publisher 1942 1946 Pages159 L'Étranger is a 1942 novel by French author Albert Camus. Its theme and outlook are often cited as examples of Camus's philosophy, absurdism coupled with existentialism, though Camus personally rejected the latter label. The title character is Meursault, an indifferent French Algerian described ...

The Stranger (Camus novel) - Wikipedia

The title character of The Stranger is Meursault, a Frenchman who lives in Algiers (a pied-noir). The novel is famous for its first lines: " Mother died today. Or maybe it was yesterday, I don ’ t know. " They capture Meursault ’ s anomie briefly and brilliantly. After this introduction, the reader follows Meursault through the novel ’ s first-person narration to Marengo, where he sits vigil at the place of his mother ’ s death.

Part 1: Meursault learns of the death of his mother, who has been living in a retirement home.

The Stranger by Albert Camus - Goodreads

" The Stranger is a strikingly modern text and Matthew Ward ’ s translation will enable readers to appreciate why Camus ’ s stoical anti-hero and devious narrator remains one of the key expressions of a postwar Western malaise, and one of the cleverest exponents of a literature of ambiguity. " –from the Introduction by Peter Dunwoodie

It stands as perhaps the greatest existentialist tale ever conceived, and is certainly one of the most important and influential books ever produced. ... It unlocks the prose as no other English version has, allowing the listener to soak ...

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

"A National Book Award-finalist biographer tells the story of how a young man in his 20s who had never written a novel turned out a masterpiece that still grips readers more than 70 years later and is considered a rite of passage for readers around the world."--NovelList.

The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep. Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm, reserved Meursault as he walks along a deserted beach a few days later—leading him to commit an irreparable act.This new illustrated edition of Camus's classic novel The Stranger portrays an enigmatic man who commits a senseless crime and then calmly, and apparently indifferently, sits through his trial and hears himself condemned to death.

Best Translated Novel of the Decade – Lit Hub A New York Times Notable Book of 2015 — Michiko Kakutani, The Top Books of 2015, New York Times — TIME Magazine Top Ten Books of 2015 — Publishers Weekly Best Books of the Year — Financial Times Best Books of the Year " A tour-de-force reimagining of Camus ’ s The Stranger, from the point of view of the mute Arab victims. " —The New Yorker He was the brother of " the Arab " killed by the infamous Meursault, the antihero of Camus ’ s classic novel. Seventy years after that event, Harun, who has lived since childhood in the shadow of his sibling ’ s memory, refuses to let him remain anonymous: he gives his brother a story and a name—Musa—and describes the events that led to Musa ’ s casual murder on a dazzlingly sunny beach. In a bar in Oran, night after night, he ruminates on his solitude, on his broken heart, on his anger with men desperate for a god, and on his disarray when faced with a country that has so disappointed him. A stranger among his own people, he wants to be granted, finally, the right to die. The Stranger is of course central to Daoud ’ s story, in which he both endorses and criticizes one of the most famous novels in the world. A worthy compliment to its great predecessor, The Meursault Investigation is not only a profound meditation on Arab identity and the disastrous effects of colonialism in Algeria, but also a stunning work of literature in its own right, told in a unique and affecting voice.

An ordinary man is unwittingly caught up in a senseless murder in Algeria

The Second Edition of this popular critical study has been significantly expanded and completely revised, making it the most thorough single-volume study of Camus' classic novel. A Critical Introduction places Camus' ideas in context. Part One shows the development of his thought in the early essays, the unpublished " A Happy Death " , the plays " Caligula " and " The Misunderstanding " , and the philosophical work " The Myth of Sisyphus " . Building on this foundation, Part Two gives a detailed, consistent reading of " The Stranger " . The aim throughout, is to explain the meaning that Camus intended his text to have, thus meeting the needs of both the general reader and the student up to graduate level. This guide is thought provoking and encourages the reader to develop their own ideas about interpreting the central themes of the text.

A guide to reading "The Stranger" with a critical and appreciative mind encouraging analysis of plot, style, form, and structure. Also includes background on the author's life and times, sample tests, term paper suggestions, and a reading list.

In his first novel, A Happy Death, written when he was in his early twenties and retrieved from his private papers following his death in 1960, Albert Camus laid the foundation for The Stranger, focusing in both works on an Algerian clerk who kills a man in cold blood. But he also revealed himself to an extent that he never would in his later fiction. For if A Happy Death is the study of a rule-bound being shattering the fetters of his existence, it is also a remarkably candid portrait of its author as a young man. As the novel follows the protagonist, Patrice Mersault, to his victim's house -- and then, fleeing, in a journey that takes him through stages of exile, hedonism, privation, and death -it gives us a glimpse into the imagination of one of the great writers of the twentieth century. For here is the young Camus himself, in love with the sea and sun, enraptured by women yet disdainful of romantic love, and already formulating the philosophy of action and moral responsibility that would make him central to the thought of our time. Translated from the French by Richard Howard

The condition of man is revealed as absurd in Camus's short novel.

Explains how to deal with strangers in public places, on the telephone, and in cars, emphasizing situations in which the best thing to do is run away or talk to another adult.
