Growing Healthy Friendships - Psych Central

Children at this stage view friends as momentary playmates, and their friendships are all about having fun together. Their friends are kids who are conveniently nearby, and who do the same things...

Children's Growing Friendships | Psychology Today

Considering one of the most basic tenets of friendships involves, um, talking to each other every so often, having that one friend who you simply can't reach is problematic at best, annoying as f*ck at worst. What I've learned, though, is to clarify the difference between truly mismatched schedules and a complete lack of interest.

9 Signs You're Outgrowing a Friendship ☐ and What to Do ...

There are a million reasons why a friendship may change over time. You grow older, relocate for a job, have a fight, or start having kids. It is an inevitable fact that life takes people in new directions; growing apart from old friends becomes a part of our lives. But, somehow I thought that I was immune, that this was someone else's story.

3 Things to Do When a Friendship Starts to Fade

☐ You can make more friends in two months by becoming interested in other people than you can in two years by trying to get other people interested in you. ☐ ☐ Dale Carnegie ☐ A friend is someone who understands your past, believes in your future, and accepts
