A weekly workout plan may include a long swim (for example, starting out with 5K and gradually increasing to 10-15K), speed workouts, cross training
and/or strength training, and at least one...

~~7 Ways to Prepare for a Marathon Open Water Swim~~

" Mesocycles are training periods of approximately six to eight weeks. An effective training period allows a swimmer to benefit from adaptations of the
body that are a result of training. As a general rule of thumb, the body will need roughly six weeks to make significant physical and chemical changes in its
ability to provide energy to the muscles.

~~How To Build A Yearly Training Plan!~~ — MySwimPro

Basic endurance This involves working at a heart rate level of 65 to 75% HR max for a period of 15 to 60 minutes. Rest within the sets should be between
10 to 30 seconds, depending on the distance repeats you are swimming.

~~Swimming: Planning the Training~~ — BrianMae

Your swim workout can be a two-hour distance odyssey of intervals on short rest, or a high-rest, high-intensity 45 minute sprint-focused set. Below are a
collection of workouts and swim sets for sprinters, for distance swimmers, for those looking to improve their kick, and everyone else in between.

~~Swimming Workouts: The 40 Ultimate Practices for Swimmers~~

Click or tap below to find out more about training sessions 1-10. You don't need to be a seasoned swimmer to start off. The first session involves
swimming 12 lengths (300 metres). By session 10, you will be swimming 38 lengths (950 metres). These pool training sessions are exclusively available for
Swim England members. You can become a Just Swim member for free by registering here. Session 1 is free to access as a teaser to get you started.

~~Swimming Fitness Training Plan | 20 Session Pool Training ...~~

Push yourself to swim the length of your goal-distance race, or longer, in one nonstop "workout." When I train for the Victor's Annual Swim Around Key
West (a 13-mile distance), I make sure to complete a 15,000-meter straight swim at least once in the pool before I consider myself "ready." This is just as
important to do for your mental confidence as it is for your physical "dress rehearsal."

~~How to train for a middle distance open water swim | ACTIVE~~

I would take 30-seconds to 1-minute rest between each swim. Week 1: 2-3 x 500 with 30-60 seconds rest between each. Week 2: 1-2 x 1000 with 30-120 seconds rest between each. Week 3: 3-4 x 500 with 30-60 seconds rest between each. Week 4: 2-3 x 1000 with 30-120 seconds rest between each.
