Northern Tradition For The Solitary Practitioner ...

4 Exploring the Northern Tradition by Galina Krasskova pp. 141-145. 5 “Folkishness” or “Folkism” is the belief that the indigenous religious traditions of one’s ancestors are the best for a person to adopt for themselves, rather than converting to a “foreign” religion, such as Christianity for non-Hebrews or Middle Easterners.

Horn and Banner

While Exploring the Northern Tradition is an okay book (written solely by Krasskova), Northern Tradition for the Solitary Practitioner (by Krasskova/ Raven Kaldera) is the worst kind of junk. Not just junk, but subversive, UPG (unverified personal gnosis) fueled lunacy.

Explores the purposes of altar work, prayer, prayer beads, sacred images, and lore in relation to the expanse of the Northern Tradition communities and the traditions of the ancient Norse, Germanic, and Saxon people. Original.

In the Northern Tradition, the Sun is represented by the Goddess Sunna, and the Moon by her divine brother Mani. They give their names to two of the days of the week, and their rays shine down upon us, giving life and inspiration. This devotional is dedicated to them, and to their family. They are more than mere personifications; they bring joy and peace to every day of our lives. We saw them first in the sky as children, and now we can understand and reverence them even more fully with the help of this book.

A step-by-step guide to working with the spirits of ancient northern Europe [] Explains how to build relationships with Earth, Sun, Moon, Plants, Animals, Water, Fire, Craft, Air, and the Ancestors through 83 practical exercises [] Explores the role of altered states in spirit work [] Outlines the ancient cultural rules and taboos to avoid spiritual debt or offense We are all surrounded by spirits. Many people feel called to work with them, but few know where to begin. Enjoined by the gods and spirits to fulfill this need, Raven Kaldera and Galina Krasskova have reconstructed the indigenous spiritual traditions of northern Europe and Scandinavia extinguished more than one thousand years ago by the spread of Christianity. Arising from basic survival needs, these practical traditions are fundamentally tied to the elements found in the harsh world of the ancient North. Beginning with the skills tied to the Earth element, necessary for grounding prior to the more demanding aspects of the practice--working with Sun, Moon, Plants, Animals, Water, Fire, Craft, and Air--the authors explain, step by step, how to build relationships with each elemental spirit and the Ancestors. Offering 83 practical exercises, from cleansing with the Moon or borrowing the legs of Reindeer to making sacred space with Mugwort or creating an ancestor altar, they also explore building spirit relationships through altered states. Emphasizing the proper management of your spirit relationships to avoid spiritual debt or offense, the authors outline the ancient cultural rules and taboos that circumscribe these practices, essential knowledge for successful and fruitful spirit alliances. Detailing the beginning set of skills needed to work with the spirits of this ancient world, this comprehensive workbook offers a unique ancestral spiritual outlet for those of northern European descent as well as an accessible guide for anyone trying to fulfill their shamanic callings.

From dealing with Gods and spirits, to mastering the elements to reading the Threads of Wyrd, this book is a primer for the basic skills of a northern-tradition shaman or shamanic practitioner. The third book in the Northern-Tradition Shamanism series, this book includes spirit-taught lessons from many different spirit-workers and the Gods that they serve and revere.

An accessible yet in-depth guide to this increasingly popular pre-Christian religious tradition of Northern Europe Heathenry, is one of the fastest growing polytheistic religious movements in the United States today. This book explores the cosmology, values, ethics, and rituals practiced by modern heathens. In A Modern Guide to Heathenry readers will have the opportunity to explore the sacred stories of the various heathen gods like Odin, Frigga, Freya, and Thor and will be granted a look into the devotional practices of modern votaries. Blóts, the most common devotional rites, are examined in rich detail with examples given for personal use. Additionally, readers are introduced to the concept of wyrd, or fate, so integral to the heathen worldview. Unlike many books on heathenry, this one is not denomination-specific, nor does it seek to overwhelm the reader with unfamiliar Anglo-Saxon or Norse terminology. For Pagans who wish to learn more about the Norse deities or those who are new to heathenry or who are simply interested in learning about this unique religion, A Modern Guide to Heathenry is the perfect introduction. Those who wish to deepen their own devotional practice will find this book helpful in their own work as well.

Living Runes provides a thorough examination of the Norse runes that will challenge the experienced rune worker to deepen his or her understanding of these mysteries. The book begins with an explication of the story of Odin, the Norse god who won the runes by sacrificing himself on the World Tree. It continues by examining each of the individual runes in turn, both the Elder Futhark and the lesser-known Anglo-Saxon Futhorc. Each rune is studied not only from a historical viewpoint but also from the perspective of a modern practitioner. You will be introduced to the practice of galdr as well as the magical use of the runes and the proper way to sacrifice to them and read them for divination. Most importantly, the book specifically addresses the runes as living spirits and provides guidance on developing a working relationship with these otherworldly allies. Note:Living Runes was previously published as Runes: Theory and Practice (New Page, 2009) but for several years has only been available from Lightning Source via Ingram.

A guide to direct communication with the spirits and the Gods [] Offers practices for seekers and groups to learn to hear and respond to the spirits and the Gods as well as what to do (and not do) if you receive a message [] Explains how to authenticate spiritual messages with divination [] Discusses how to avoid theological conflicts when someone’s personal gnosis differs from that of their Pagan group For our ancestors the whole world was alive with spirits. The Gods bubbled forth from rivers and springs and whispered in the breezes that rustled through cities and farms. The ground underfoot, the stones, the fire that cooked the food and drove off the darkness, these all had spirits--not just spirits in some other dimension, but spirits in them who could be spoken to and allied with. In today’s world we are led to believe that the spirits long ago went silent and that spiritual wisdom can only be gained through established religious doctrine. Providing a guide for opening two-way conversation with the spirits of daily life as well as direct communication with the Gods, Kenaz Filan and Raven Kaldera explore how to enrich your spiritual path with personal gnosis--asking your Guides for assistance or teachings and receiving a response. They explain how to develop your sensitivity to the voices of the Divine, discern genuine spiritual messages from the projection of internal psychodrama, and what to do (and not do) with the messages you receive. Confirming their own personal gnosis with Northern Tradition Pagan beliefs and Greco-Roman, Celtic, Egyptian, and indigenous hunter-gatherer lore, the authors discuss how to avoid theological conflicts when someone’s personal gnosis differs from that of their Pagan group as well as how to authenticate messages with individual and group divination. Offering practices and principles for seekers and groups, they reveal that the spirits never went silent, we simply forgot how to hear them.

Examines the archaeological evidence, the folklore and writings, and the pictures and carvings of ancient Britain, and offers fresh interpretations of early Anglo-Saxon pagan worship and its continuing legacy

In Essential Asatru, renowned author and priestess Diana Paxson demystifies an ancient, rich, and often misunderstood religion, and offers a practical guide for its modern followers. A Journey to Fulfillment and Renewal Filled with clear, concise instructions on living Asatru every day, this truly accessible guide takes you on a journey from Asatru's origins in Scandinavian and German paganism to its recognition as an official religion in the 1970s and its widespread acceptance today. Essential Asatru also includes: · A complete history of Asatru gods and goddesses, including Odin, Thor, and Ostara · The life values, such as honor, truth, fidelity, and hospitality, that shape Asatru’s tenets · Indispensible information on rituals, rune casting, ethics, and divination Essential Asatru is an elegant and splendid introduction to a centuries-old religion that continues to enrich and fascinate its followers today. Praise for Essential Asatru “This mainstreamed book on Asatru offers a thorough grounding in both history and the present and shows how those values—the true heart of any religion—are expressed in the lives of its faithful. This book is recommended for personal education, library shelves, and world religion classes.” —Facing North “A solid and thorough yet concise introduction to the religion, its history, the gods and goddesses, and the basics of modern practice.” —Idunna

An essential guide to expand your spiritual practices for followers of Norse Paganism, Heathenry, Asatru, and other Northern Traditions. Northern Tradition for the Solitary Practitioner is a groundbreaking look at devotional work in religions from Theodism to Asatru to Norse Paganism, all of which comprise the umbrella of the Northern Tradition. Although interest in devotional and experiential work within these traditions has been growing rapidly in the past few years, this is the first book to show the diverse scope of such practices as a living, modern-day religion. It features an in-depth exploration of altar work, prayer, prayer beads, ritual work, sacred images, and lore, and a thorough examination of common cosmology that forms the foundation of belief for Northern Tradition communities and related Heathen practices. Northern Tradition for the Solitary Practitioner is not denomination-specific: rather, it seeks to provide an entry into interior practice for anyone involved in a branch of this broad family of traditions of the ancient Norse, Germanic, and Saxon peoples, using material suitable for the solitary, independent practitioner. Those outside of the Northern Tradition who wish to deepen their own devotional practice will find this book helpful in their own work, as well.
