Nutrition and Physical Degeneration: Amazon.co.uk: Price ...
Nutrition and Physical Degeneration is the kind of book that changes the way people view the world. No one can look at the handsome photographs of so-called primitive people – faces that are broad, well-formed and noble – without realizing that there is something very wrong with the development of modern children.

In 1939, he published Nutrition and Physical Degeneration, detailing his global travels studying the diets and nutrition of various cultures. The book concludes that aspects of a modern Western diet (particularly flour, sugar, and modern processed vegetable fats) cause nutritional deficiencies that are a cause of many dental issues and health problems.

Weston Price - Wikipedia
At the end 20th century, the idea that the food we eat affects our physical structure for good or ill is almost universally accepted. Sixty years ago it wasn't, and the publication of Nutrition and Physical Degeneration rocked the worlds of science and nutrition with Dr. Price's irrefutable evidence and documentation of this concept.
