A Beginner's Crash Course In Options Trading On Stocks.

Options are an exciting, sometimes fast paced, and occasionally quick way to make money in the stock markets. They are also some of the most misunderstood methods and means of trading known to man. With an option contract, an investor can double or even triple his or her money in a matter of days, lose 50% to 100% of it in the course of the options contract, and be massively up and then majorly down all within the span of a few ...
