Admire large, color photographs of the best modern quilting has to offer—more than 200 quilts curated by the Modern Quilt Guild. From the Amish and Gee's Bend to the first use of the word "modern" in quilting, trace the history of modern quilts and learn about hallmarks of the genre in a concise retrospective. This beautiful hardcover book celebrates the genre, honoring its past, present, and future.

A celebration of the diversity and evolution of birds, as depicted in the Cornell Lab of Ornithology's magnificent 2,500-square-foot Wall of Birds mural by artist Jane Kim. Part homage, part artistic and sociological journey, The Wall of Birds tells the story of birds' remarkable 375-million-year evolution. With a foreword by John W. Fitzpatrick, director of the Cornell Lab of Ornithology, and full of lush photographs of gorgeous life-size birds painted in exacting detail, The Wall of Birds lets readers explore these amazing creatures family by family and continent by continent. Throughout, beautifully crafted narratives and intimate artistic reflections tell of the evolutionary forces that created birds' dazzling variety of forms and colors, and reveal powerful lessons about birds that are surprisingly relevant to contemporary human challenges. From the tiny five-inch Marvelous Spatuletail hummingbird to the monstrous thirty-foot Yutyranus, The Wall of Birds is a visual feast, essential for bird enthusiasts, naturalists, and art lovers alike.

After airing on the "Today Show" in September 2009, the photographers portraits of sleeping babies caused a national sensation. Here, their lens has captured newborns as they inhabit magical dreamscapes.

NATIONAL BESTSELLER • PEN/HEMINGWAY AWARD WINNER • One of The New York Times 10 Best Books of the Year • A wondrous and shattering novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, There There is at once poignant and unflinching, utterly contemporary and truly unforgettable.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

Moms! Can you be even more organized than you already are? Yes! With this set of hundreds of stylish planner stickers! Winner of the William G. Bowen Prize Named a "Triumph" of 2018 by New York Times Book Critics Shortlisted for the 800-CEO-READ Business Book Award The untold history of the surprising origins of the "gig economy"--how deliberate decisions made by consultants and CEOs in the 50s and 60s upended the stability of the workplace and the lives of millions of working men and women in postwar America. Over the last fifty years, job security has cratered as the institutions that insulated us from volatility have been swept aside by a fervent belief in the market. Now every working person in America today asks the same question: how secure is my job? In *Temp*, Louis Hyman explains how we got to this precarious position and traces the real origins of the gig economy: it was created not by accident, but by choice through a series of deliberate decisions by consultants and CEOs--long before the digital revolution. Uber is not the cause of insecurity and inequality in our country, and neither is the rest of the gig economy. The answer to our growing problems goes deeper than apps, further back than outsourcing and downsizing, and contests the most essential assumptions we have about how our businesses should work. As we make choices about the future, we need to understand our past.

With twenty-five new photographs for the eBook edition, the New York Times bestseller is now more awkward than ever Based on the hit website, *AwkwardFamilyPhotos.com* ("painful, regrettable, horrifyingly awesome snaps of family bonding, you will laugh so hard that people in adjoining offices will ask what's wrong with you"—*Esquire*), this full color book features never-before-seen photos and hilarious personal stories covering everything from uncomfortable moments with relatives, teen angst, sibling rivalry, and family vacations from hell. Cringe at the forced poses, bad hair, and matching outfits--all prompting us to look at our own families and celebrate the fact that we're not alone. Nothing says awkward better than an uncomfortable family photograph!

Introduces a hip collection of ninety-nine do-it-yourself patterns, along with easy-to-follow instructions, materials lists, and project difficulty ratings, for transforming a simple T-shirt into a stylish, one-of-a-kind garment. 30,000 first printing.
