Provides the essential information you need to keep your company in compliance with federal laws and regulations affecting your payroll operations. Comprehensive and clearly written by a leading payroll expert, this book eliminates the need to refer to multiple sources seeking answers to your payroll questions.

Master the skills and understanding to calculate payroll, complete payroll taxes and prepare payroll records and reports with Bieg/Toland's market-leading PAYROLL ACCOUNTING 2022. Updates provide the first-hand experience and foundation you need to work with the latest payroll laws and developments. You focus on practical applications rather than theory as you learn how to complete hands-on exercises, both manually and with the use of Excel. Detailed examples and real business applications further demonstrate the importance of skills you are learning. Each example or illustration corresponds to a specific problem so you can easily follow the steps to solve the problem. An extensive final project lets you apply what you've learned as a payroll accountant. This edition also covers content needed for the Fundamental Payroll Certification (FPC) from the American Payroll Association as you strengthen your understanding and success in working with payroll accounting.
