Buckland, Jamie - Philosophy, The University of York

The revised and updated edition of Goodin and Pettit's highly-acclaimed contemporary political philosophy anthology, bringing together the field's most important readings in a single volume. Unparalleled in the breadth and scope of its coverage, this newly-revised third edition traces the evolution of political philosophy as a contemporary practice, and raises important questions about the impact of current political events.

Contemporary Political Philosophy: An Anthology, 3rd ...

In response to Gettier's article, numerous philosophers have offered modified criteria for "knowledge." There is no general consensus to adopt any of the modified definitions yet proposed. Finally, if infallibilism is true, that would seem to definitively solve the Gettier problem for good.
