This book represents the work of some of the contemporary world leaders in marketing. The contributors are authors of a set of path-breaking books on marketing. To ensure sufficient depth of coverage, the contributors have taken the essence of their earlier books and combined it with their latest understanding and cases. This has served to enhance the content and put it in the readers' current context. It is common knowledge that keeping pace with the growing application of marketing requires a novel approach. With new ideas and nuances being discovered every day, it has become a real challenge for marketers and students of marketing to keep up to date on important contemporary marketing concepts. Given its unique approach and thoughtful curation, this book presents readers with diversity of perspectives along with a unique depth of thinking.

This is the 14th edition of 'Marketing Management' which preserves the strengths of previous editions while introducing new material and structure to further enhance learning.

Features of the fourth edition of The Marketing Plan Handbook include: Your Marketing Plan, Step-by-Step - This new feature guides you through the development of an individualized marketing plan, providing assistance in generating ideas, and challenging you to think critically about the issues. Model of the Marketing Planning Process - A new conceptual model of the planning process serves as an organizing figure for the book. The model helps you visualize the connections between the steps and to focus on the three key outcomes of any marketing plan: to provide value, to build relationships, and to make a difference to stakeholders. Sample Marketing plan - the updated sample plan for the SonicSuperphone, a multimedia, multifunction smartphone, illustrates the content and organization of a typical marketing plan. Practical Planning Tips - Every chapter includes numerous tips that emphasize practical aspects of planning and specific issues to consider when developing a marketing plan. Chapter Checklists - Prepare for planning by answering the questions in each chapter's checklist as you create your own marketing plan. There are 10 checklists in all, covering a wide range of steps in the planning.
