Math 87 (2nd or 3rd Ed): Again, there is little if any difference between the hardcover 2nd edition and the softcover 3rd edition textbooks. Even though the older second edition does not have "with pre-algebra" printed on its cover as the 3rd edition softcover book does, the two editions are identical in math content.

Why We Use Saxon Math — Homegrown Learners
Saxon Math has consistently been one of homeschoolers' top choices when it comes to math curriculum. Saxon's incremental approach to education has been proven to be one of the most effective teaching methods; learning pieces of information in small amounts, and then continually repeating concepts keeps information fresh and active in one's mind, preventing once-learned information from ...
