DPS Troopers and various local law enforcement across Texas will be enhancing enforcement efforts during spring break, watching for speeders, drunk drivers and seat-belt violators. "Safety is our top priority at DPS, and we are asking the public to do their part by driving responsibly, obeying the laws and monitoring road conditions during their spring break travels," said DPS Director ...

Gracefully Design is a book of hope. It outlines the life's journey of a very shy, quiet girl who shows that God is always with her through good times and bad. The author shows that her main source of inspiration in life comes directly only from the Lord; this book would not be possible without the Lord's divine grace, mercy, and favor which she is grateful and humbled to be gracefully designed.

Is Kerry Lynn Jacks's unborn child heir to the Belegovian throne? That's the rumor around the Ranger Springs water cooler. When Prince Alexi of Belegovia visited the small town a scant few months ago he was captivated by the spirited beauty. Seems their brief affair has resulted in a little secret of gigantic proportions. The fate of a country's monarchy now rests on Kerry's answer to Alexi's question: "Will you marry me?" But is the marriage one of convenience or something more? Perhaps from the seeds of a royal scandal, this couple will harvest the bounty of unending love...

No one has done more to introduce the world to the authentic, flavorful cuisines of Mexico than Diana Kennedy. Acclaimed as the Julia Child of Mexican cooking, Kennedy has been an intrepid, indefatigable student of Mexican foodways for more than fifty years and has published several classic books on the subject, including *The Cuisines of Mexico* (now available in *The Essential Cuisines of Mexico*, a compilation of her first three books), *The Art of Mexican Cooking*, *My Mexico*, and *From My Mexican Kitchen*. Her uncompromising insistence on using the proper local ingredients and preparation techniques has taught generations of cooks how to prepare—and savor—the delicious, subtle, and varied tastes of Mexico. In *Oaxaca al Gusto*, Kennedy takes us on an amazing journey into one of the most outstanding and colorful cuisines in the world. The state of Oaxaca is one of the most diverse in Mexico, with many different cultural and linguistic groups, often living in areas difficult to access. Each group has its own distinctive cuisine, and Diana Kennedy has spent many years traveling the length and breadth of Oaxaca to record in words and photographs "these little-known foods, both wild and cultivated, the way they were prepared, and the part they play in the daily or festive life of the communities I visited." *Oaxaca al Gusto* is the fruit of these labors—and the culmination of Diana Kennedy's life's work. Organized by regions, *Oaxaca al Gusto* presents some three hundred recipes—most from home cooks—for traditional Oaxacan dishes. Kennedy accompanies each recipe with fascinating notes about the ingredients, cooking techniques, and the food's place in family and communal life. Lovely color photographs illustrate the food and its preparation. A special feature of the book is a chapter devoted to the three pillars of the

Oaxacan regional cuisines—chocolate, corn, and chiles. Notes to the cook, a glossary, a bibliography, and an index complete the volume. An irreplaceable record of the infinite world of Oaxacan gastronomy, Oaxaca al Gusto belongs on the shelf of everyone who treasures the world's traditional regional cuisines.

This text explores the natural history of Texas and more than 2900 springs in 183 Texas counties. It also includes an in-depth discussion of the general characteristics of springs - their physical and prehistoric settings, their historical significance, and their associated flora and fauna.

Gregg Easterbrook, author of the wildly popular ESPN.com column Tuesday Morning Quarterback takes on football's place in American society. Gridiron football is the king of sports - it's the biggest game in the strongest and richest country in the world. Of the twenty most-watched television broadcasts ever, both in the United States and internationally, all twenty were Super Bowls. In *The King of Sports*, Easterbrook tells the full story of how football became so deeply ingrained in American culture. Both good and bad, he examines its impact on American society at all levels of the game. *The King of Sports* explores these and many other topics: \* The real harm done by concussions (it's not to NFL players). \* The real way in which college football players are exploited (it's not by not being paid). \* The way football helps American colleges (it's not bowl revenue) and American cities (it's not Super Bowl wins). \* What happens to players who are used up and thrown away (it's not pretty). \* The hidden scandal of the NFL (it's worse than you think). Using his year-long exclusive insider access to the Virginia Tech football program, where Frank Beamer has compiled the most victories of any active NFL or major-college head coach while also graduating players, Easterbrook shows how one big university "does football right." Then he reports on what's wrong with football at the youth, high school, college and professional levels. Easterbrook holds up examples of coaches and programs who put the athletes first and still win; he presents solutions to these issues and many more, showing a clear path forward for the sport as a whole. Rich with reporting details from interviews with current and former college and pro football players and coaches, *The King of Sports* promises to be the most provocative and best-read sports book of the year.

Time will tell... Nancy Ellen has looked all her life for the place to grow old. During her lifetime, she fought many battles--one being cancer. Finally, after recovering from this, she found the man of her dreams in her old hometown. While dating William, she almost lost him one night because he was close to becoming comatose. She loves him,

but now has second thoughts about getting married. Can she chance that happening again? Will the good outweigh the bad? He and she help each other through sickness, family problems, deaths, and many struggles of everyday life. Nancy Ellen is truly in love. It's not every day you find your "Prince on the White Horse".
