A surprising, smart, charming novel that shows every day is a second chance. If you love Offspring and the 'opposites attract' charm of The Rosie Project, you will love this story! Lucy Muir is leaving her husband. It's complicated. They're joint owners and chefs at one of the best restaurants in town, so making a clean break is tough. But, let's face it, a woman can only take so much cheating, recipe stealing and lack of good grace. Despondently driving around the back streets of Woolloomooloo one night, Lucy happens upon an old, empty terrace that was once the city's hottest restaurant: Fortune. One minute she's peering through grimy windows into an abandoned space, the next she's planning a pop-up bistro. When Lucy fires up Fortune's old kitchen she discovers a little red recipe book that belonged to the former chef, the infamous Frankie Summers. As she cries over the ingredients for Frankie's French Onion Soup, she imagines what Fortune was like in its heyday. It's strange, Lucy can sense Frankie beside her, almost see him there ... This fiery chef, who lived with a passion for food and women in almost equal measure, just might help Lucy cook herself up a better life. But is she brave enough to believe? ****INCLUDES** an extract from J.D.'s new novel, *The Upside of Over*, publishing in July 2018*

The Nebula Award-winning author chronicles her relationship with her father during the last seventeen years of his life, tracing the changing dynamics of a parent-child relationship transformed by the aging process. 17,500 first printing.

Chances Inlet is the home of second chances. Too bad not everyone wants one. Not even for Christmas . . . Chances Inlet, North Carolina is the last place major leaguer Ryan McAlister wants to hide from the media to rest up his broken hand. He left his gossipy, Christmas-obsessed hometown in the dust over a decade ago. When he gets caught up in the town's holiday antics, he finds himself responsible for making a little boy's Christmas wish come true. The kid's widowed mother, however—a blast from Ryan's past—just might make his stay a bit more exciting. Physical therapist Jane Sheffield loves her hometown. Especially at Christmastime. Since this may be her last in Chances Inlet, she's determined to make the most of it with her young son. But after her childcare falls apart, she gets more than she bargained for when her best friend's younger brother volunteers to help out. The rebellious teen she tutored in high school has grown up into a sexy charmer and so much more than the pretty face he pretends to be. Can a stray dog, the Ghost of Christmas past, and a host of meddling townsfolk muster up enough Christmas spirit to convince Ryan and Jane to give their hometown—and each other—a second chance? This book is the third book in a family saga but can be read as a standalone. Chances Inlet Series: Book 1: Back to Before Book 2: All They Ever Wanted Book 3: Second Chance Christmas

Everything is right on track for Danielle as she prepares for the grand opening of her bed and breakfast. All that changes when her cousin, Cheryl, shows up to claim her share of the inheritance-housemate Lily figures out there is a ghost in the house-and the million dollar necklace goes missing. There is blood on someone's hands and if Danielle isn't careful she'll be moving from Marlow House to the Big House.

Josh Hankins, an up-and-coming movie star, and Tori Olson, his business manager, were two of the most envied and sought after people in Hollywood—until the automobile accident. When Josh and Tori awake from the crash, they continue to walk among the living, but are no longer alive. Tori, who counted herself a disciple of Jesus Christ, wonders why God is doing this to her. Josh never showed outward signs of his faith, though something inside always lifted him through good times and bad. Searching for answers and hoping for eternal peace, Josh and Tori discover something else: they love each other. But in the uncertain netherworld, such a love—even when flavored with pumpkin chocolate-chip muffins—barely stands a ghost of a chance. Recipe included. OTHER TITLES by S.J MacIver Cinnamon Girl Ghost of a Chance

A Valentine's Day Wedding at Marlow House? Love is in the air—along with secrets—some are deadlier than others. Will secrets from Clint Marlow's past come back to haunt Walt and Danielle?

This Graphic Novel Series features classic tales retold with attractive color illustrations. Educatiors using the Dale-Chall vocabulary system adapted each title. Each 70 page, softcover book retains key phrases and quotations from the original classics. Introduce literature to reluctant readers and motivate struggling readers. Students build confidence through reading practice. Motivation makes all the difference. What's more motivation then the expectation of success?

A mysterious visitor changes the fortunes of a struggling Nebraska town in this “novel full of hope, humor and singular characters” (Parade). Wilma Porter runs the only bed and breakfast in Ebb, Nebraska, and knows everyone in the small town. She also knows their troubles. Calvin Millet, for example, has an ailing daughter at home and a wife who just up and left him—and on top of that, his department store is close to bankruptcy as a new Wal-Mart looms, and his house has been destroyed by a tornado. When a handsome stranger named Vernon L. Moore comes to Ebb selling games of chance, more than a few eyebrows are raised. A consummate salesman, he befriends the troubled townspeople one by one. He listens to their stories and asks them intriguing questions that make them see their situations differently. The father of a dying child; the reclusive widow who's taken permanent board at the BB; the banker with ulterior motives; and the outspoken Wilma herself are all changed by their encounters with this mysterious man who seems not of this world. After all, no one has seen a traveling salesman in Ebb for more than thirty years. But wherever he's from and whoever he is, he leaves behind a town where second chances are not only possible, they can—and do—happen. “If you've been charmed by Jimmy Stewart and the small-town miracles of It's a Wonderful Life, treat yourself to this unusual little novel.” –Parade “A folksy, wise and gently amusing look at the importance of living life to the fullest and not only trusting in chance, but embracing uncertainty as the spice of life.” –Rocky Mountain News “Just what the doctor ordered.” –Detroit Free Press

In a departure for this very well-reviewed fantasist, Susan Shwartz has returned to her science fiction roots with a riveting novel of honor and its loss, love and its betrayal, and the exploration of what it means to be a true hero. What Susan Shwartz has done is to take a well-loved tale and it in an unconventional setting. Second Chances is nothing less than an homage to Joseph Conrad—think of Lord Jim in space. Just as Conrad explored in great depth the perplexing, ambiguous problem of lost honor and guilt, expiation and heroism, Shwartz has created in her Jim a man haunted by guilt over an act of supposed cowardice and his lifelong efforts to somehow atone for that action—whether or not he merited the disgrace. As Conrad's Jim was a tragic and ultimately noble hero, so too is Shwartz's Jim. A professional soldier whose time has passed, Jim is stationed about the corporate BioShip Irian Jaya security for a commercial venture critical to humanity's continued survival. The war that sundered whole worlds is over and now he's just another “tin soldier,” a prop for the military to look good to war-weary civilians. But he's never stopped caring about those who scorn him and the ideals that he still clings to. That caring is tested, however, when he is thrust into a scandal not of his making. He chooses to carry the burden of guilt, no matter what. Because of his pride . . . and maybe because that's the one thing he has left. Out of this madness will come the biggest battle for his honor and his soul. And perhaps, a promise of a second chance. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
