And that 's not all that 's strange.

There 's also the vivid recurring nightmare about crashing a motorcycle in a tunnel and memories of people and places she doesn 't recognize. Is there something wrong with her head now, too, or is there another explanation for what she 's experiencing?

As she searches for answers, and as her attraction to Kai intensifies, what she learns will lead her to question everything she thought she knew—about life, death, love, identity, and the true nature of reality.
